

Humans, Nephilim, and Reptilians

Where this incredible journey begins is in the Garden of Eden. At the start I will declare that the foundation of this article is built upon the Serpent Seed theory. If you do not adhere to this theory then there is no point in reading on. If you are interested in knowing more about this theory then follow the following links as a way of introduction.

So now let me begin. In the Garden of Eden there was Adam, Eve, and Lucifer. Lucifer was in my mind was set apart to teach Adam Eve the ways of God and to be a teacher and guardian angel. But Lucifer had a different interpretation of his role. He felt threatened in knowing that Adam and Eve were going to populate the earth with humans that were in the likeness and image of God. Perhaps Lucifer in all his beauty and pride desired to have a race

of children from his seed that would bare his own image and likeness and he could rule over as a god.

It is hard to imagine how Lucifer could think that he could actually get away with such a feat of mutiny. Since he was a new creation, he may of felt that God was far too loving to take any real action. Being a loving God would make God weak and ineffectual in Lucifer's mind. Lucifer must of felt that he was the only strong leader there was and in his mind it gave him the right to rule over the earth. In other words "might is right."

In the Garden Lucifer began to put his plan for dominion over the earth in motion. Did he go to Adam? No. Right away he went to the women knowing that she could replicate his essence through her. He began to offer bad fruit of occult Gnostic knowledge. My feeling is that he told Eve that through him, she could bare children that would be gods upon the earth. He may of told her that God was too weak to interfere and that she could become the Queen of Heaven in the Kingdom of Lucifer's light on earth. Eve offered no resistance and freely partook of his occult fruit of hidden knowledge.

At this point in time Lucifer now began to up the stakes. Here was his golden opportunity to implant his seed into Eve and to repopulate the earth with his own offspring. He could literally inbreed his depravity and evil in to all future generations.

The word Lucifer means shining one, and we know in the Old Testament he was seen as an angel of great beauty probably beyond all our understanding, so it is very easy to see how she was seduced in the Garden. She was seduced by an angel of light and not a snake. The word for snake is Nachash.

5172 *nachash* (*naw-khash'*);

a primitive root; properly, to hiss, i.e. whisper a (magic) spell; generally, to prognosticate:

KJV-- X certainly, divine, enchanter, (use) X enchantment, learn by experience, X indeed, diligently observe.

We can see here that Lucifer was whispering magic to Eve while enchanting and seducing her. The word enchanting means to cast a spell over; bewitch, charm. Eve's heart must of been pounding in her chest and her head spinning from being courted by an angel of intense beauty and light. A fatal attraction was now being acted out bringing a curse to all mankind.

After Eve fell into the arms of Lucifer her king, the situation changed. Suddenly she started to act like a victim of rape by covering her sex organ in shame. She was now guilty of transgressing the law while Adam wasn't.

"And Adam was not deceived, but the woman being deceived was in the transgression. Notwithstanding she shall be saved in childbearing, if they continue in faith and charity and holiness with sobriety." 1 Tim 2:14-15. It states here that Adam was not deceived. But the word deceived when applying to the woman means to be seduced wholly. This means she was seduced mentally, spiritually, and yes physically.

DECEIVED 1818 exapatao (ex-ap-at-ah'-o);

from 1537 and 538; to seduce wholly:

KJV-- beguile, deceive.

It is obvious here that the snake was a symbol and not a literal talking snake selling apples. If you look up the words used in Genesis from a Strong's Concordance, you will then see that Genesis is filled with many sexual idioms. In fact the picture of the snake eating dust is a Jewish idiom for being lower than low.

To take it literally is a mistake. Note too that there are no snakes that eat dust. Also that male penis strongly resembles a snake in it's shape, so I do not think that we are dealing with a literal snake. And what was the law that Eve broke and was in "transgression" of? I would think it is clear that she was in transgression because she had committed adultery. It says that Adam did too partake in the eating of the fruit and became ashamed. But this fruit did not come directly from the tree but from Eve.

"When the woman saw that the fruit of the tree was good for food and pleasing to the eye, and also desirable for gaining wisdom, she took some and ate it. She also gave some to her husband, who was with her, and he ate it." Gen 3:6 (NIV)

There is very little to go on in scripture to really speculate on what happened to Adam. Some feel that Lucifer in the Garden committed the first act of Sodomy. With Eve it is obvious that Lucifer cast her out. Soon the God Almighty and ruler of the universe stepped in to take control. A curse was now placed on all of them. Eve's offspring (fruit of the womb) were now to be born in sin, and now Satan's son was born to the world. His name was Cain. He was a vile angry man who never took the blame for anything and refused to be second best in God's eyes. He was full of selfish pride and blind ambition.

God created Adam in the image and likeness of God with gentleness, meekness, and love. And since it is written that all seeds would bare forth fruit of its own kind, this now begs the question of who was Cain's father and what seed

was he from? It becomes clear when we see what scripture says, "*And Adam lived an hundred and thirty years, and begat a son in his own likeness, after his image; and called his name Seth.*" Gen 5:3 It does not say this about Cain. In fact we know nothing of what Cain looked like.

"And Adam knew Eve his wife; and she conceived, and bare Cain, and said, I have gotten a man from the LORD."

Since God promised a Redeemer to come in His prophecy of the seed, she obviously was mistaken in thinking that her first born was the Messiah and Redeemer of mankind. Later she cleared her mind and realized that Cain was not of her Lord. Cain was obviously not of the Lord since he was a vile and depraved man.

"And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, hath appointed me another seed instead of Abel, whom Cain slew." Gen 4:25

It is crystal clear here that Cain was not of the seed of Adam and Seth was to replace him. In fact it was Cain who slew his brother offering Satan/Lucifer the very first blood offering and putting an end to the seedline of the Messiah. Well that is until Seth was born from Adam. But from now on there was going to be two seedlines. One is the offspring of Satan through Cain which are the goats, and the offspring of God through Adam. "*From now on you and the woman will be enemies, as will your offspring and hers. You will strike his heel, but he will crush your head.*" Gen 3:15 (TLB)

So as I have said Cain looked different because he was in the image and likeness of his true father Lucifer. It is interesting that the word Lucifer means Shining One. There are many accounts from all cultures about the Shining Ones that came down from heaven and when they left, they all promised to return in the future.

Cain being born of his father Lucifer would of caused him to look very much like his father. So what did Lucifer look like? We know that he is the Shining One, but he was also a Seraphim angel. Now what did they look like?

*"Divine creatures from the Old Testament, associated with the [Cherubim](#), and later taken to be angels. The root of Seraphim comes either from the Hebrew verb saraph ('to burn') or the Hebrew noun saraph (a fiery, flying serpent). Because the term appears several times with reference to the serpents encountered in the wilderness (Num. 21.8, Deut. 8.15; Isa. 14.29; 30.6), it has often been understood to refer to "fiery serpents." From this it has also often been proposed that the **seraphim were serpentine in form** and in some sense "fiery" creatures or associated with fire.*

*It is said that whoever lays eyes on a Seraph, he would instantly be incinerated due to the immense brightness of the Seraph. They are described as very tall, with six wings and four heads, one for of the cardinal directions. One pair of wings are for flying, one for covering their eyes (for even they may not look directly at God), and one for covering their feet (which is **almost certainly a euphemism for genitalia**). They are in the direct presence of God."*

<http://www.pantheon.org/articles/s/seraphim.html>

So here we see that Lucifer shone like the sun and was Reptilian looking behind the curtain of awesome burning light. It could very well be that Cain retained some of the serpentine features from his father Lucifer. It is my belief that Cain was forced to leave the Garden to form his own reptilian race and not be allowed to interbreed with Adam's offspring the humans.

All though the Old Testament God never allows His chosen people to intermarry and breed. It was strictly forbidden. Now when Cain left the Garden, Lucifer had another plan in the works to contaminate the human gene pool in order to stop the birth of the Messiah through tainted DNA. In Genesis 6 the plan began to unfold.

"And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown." Gen 6:1-4 So what we see here is that the angels who are called the sons of God in the O.T. came down to mate with the human women. No longer would there be a separation of DNA. Once the giant Nephilim hybrids were born, these legendary warriors (Titans) of renowned fierceness began to kill off all the humans from the earth. In Numbers 11 we are told that they were not only giants but cannibals as well.

The book of Enoch states that they ate the flesh and drank the blood of the people on earth. They were also the number one enemy of Israel. *"And I said, Hear, I pray you, O heads of Jacob, and ye princes of the house of Israel; Is it not for you to know judgment? Who hate the good, and love the evil; who pluck off their skin from off them, and their flesh from off their bones; Who also eat the flesh of my people, and flay their skin from off them; and they break their bones, and chop them in pieces, as for the pot, and as flesh within the caldron. Then shall they cry unto the LORD, but he will not hear them: he will even hide his face from them at that time, as they have behaved themselves ill in their doings."* Micah 3:1-4 Now the father of these Nephilim was not Lucifer/Satan, their fathers were the angels. Now I discussed how the Seraphim angels were reptilian looking in heaven, but what about the Cherubim?

"Winged creatures who support the throne of God, or act as guardian spirits. They appear in the Bible (the book of Ezekiel) as bearing the throne and chariot of God, and hence later conceived as a type of angels. They are also mentioned in Genesis 3:24 as guardians (or protectors) of the [Garden of Eden](#). They were placed at the gates of the Garden to prevent humans from re-entering and thus gaining access to the Tree of Life. They also formed the mercy seat on the [Ark of the covenant](#) (Exodus 25:18-20).

*In Jewish and Christian religion they are second in the order of angels, directly after the [seraphim](#). They were usually depicted as angels with four wings and **four faces (human, lion, bull and eagle)**. Artists in later times made them appear as the chubby, rosy-faced, winged infants of which they are known today. They are usually clothed in blue, while the seraphim are clothed in red. They originated from the winged and human-headed bulls of Babylon (also named cherubim), a lesser order of deities, which guarded the gates of the royal palace." -End of quote- Emphasis mine. <http://www.pantheon.org/>*

We see here that the Cherubim could appear as human, and as a lion, bull, or eagle. The human part of them would produce the Nephilim, but what about the other parts? What would they produce? Well they would obviously produce animal hybrid monsters that would rule as gods.

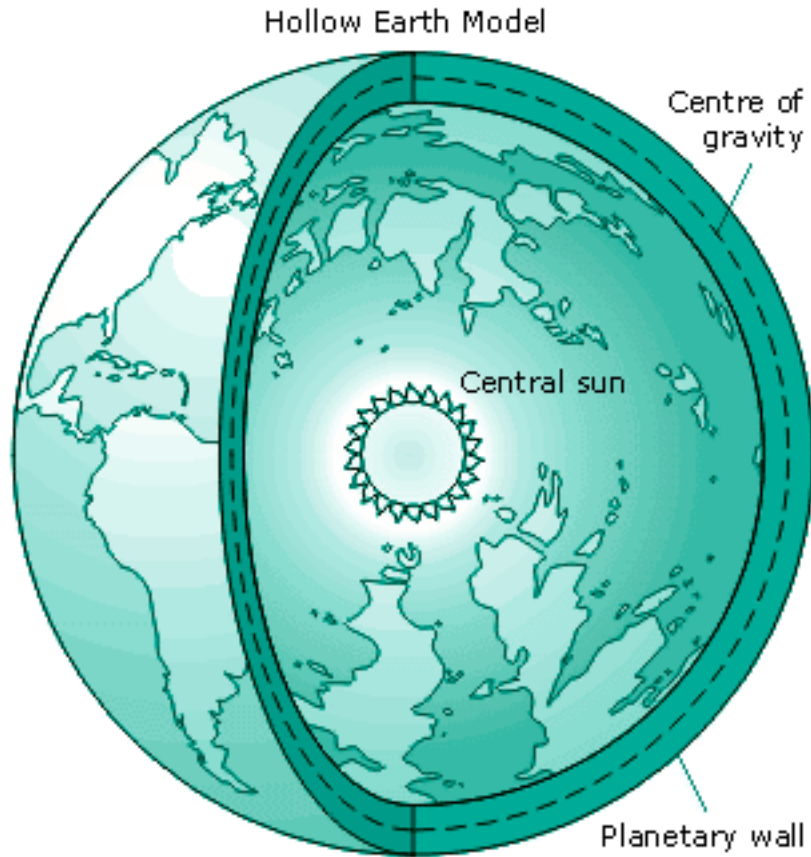

T34.2 Theseus & the Minotauros

Clearly we can see from the above pictures all three aspects of the Cherubim presented in physical form. These creatures were born of Cherubim angels and human women. Note too that they have normal looking reproductive organs. The flood came to wipe out all the giants and "beasts" from the land, but after the flood the Shining Ones came down once again and began to repopulate the earth with beasts and giants once again.

The original race of Reptilians went into the earth to escape the coming flood. Along with them other creatures hid

with them. There is much evidence that the earth is a hollow sphere and is often referred to as the [Hollow Earth](#)

Before the flood there was a canopy of water vapor that protected the earth from radiation. When the Nephilim, Reptilians, and Beasts tried to return to the surface, they quickly realized that because of the lost canopy they were open targets for the higher levels of radiation. So they would have to remain in the earth (hell) for the rest of their lives. For more information on the underworld and its creatures, check out Michael Mott's website at: <http://home.earthlink.net/~mottimorph/SubterraneanIntro2.html>

After the flood new monster beasts were born and they became gods. The world was filled with animal/human hybrids.

In the book of [Enoch](#) we are told that when the Nephilim died, their spirits remained on the earth to become what the Bible calls demons. As we know from scripture demons can enter into the unsaved and possess them. This is what I call the [Silent Invasion](#). Now as for the Reptilians, it would appear that their spirits can enter in and possess flesh too. But there is a difference. Reptilian spirits can not only possess a host, but they are able to shape shift into their original Reptilian form.

It is my belief that in the Garden of Eden that Lucifer/Satan entered into Cain and then proceeded to murder Able.

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning." John 8:44

We also know that Satan also entered into Judas when he betrayed Jesus.

"Then Satan entered Judas, surnamed Iscariot, who was numbered among the twelve. So he went his way and conferred with the chief priests and captains, how he might betray Him to them." Luke 22:3-4

Imagine that! Satan entered into Judas and then when to his children to make plans on how to kill and destroy Jesus Christ. Referring to the Pharisees, Jesus said: "Ye are of your father the devil, and the lusts of your father ye will do." What Satan lusted to do was to have Jesus killed at the hands of his children.

There is ample evidence to show that when a spirit enters a host, the host's memory is blank while the spirit is working. In the world of the Occult it is called [Walk-ins](#). The movie [Fallen](#) shows very clearly how this place and the loss of memory that follows.

In the pseudo science of psychiatry and psychology, these blackouts and changes of personalities have many names such as, Dissociative Identity Disorder, Dissociative Trance Disorder, Dissociative Amnesia and Dissociative Fugue, to name just a few. The latter causes a complete change of personality. Call it what you will, but I call it possession.

All personality disorders are not illnesses; they are personality traits of the alien demons that take over the human host. Possession can mean a person is infested with many demons or in some cases just one high ranking spirit. I was surprised to learn that the above disorders are becoming more and more common every year. The dark forces are hard at work building their fifth column in our society. When something has to be done, a Reptilian spirit can enter into a person to temporarily take over for a priority mission. Once completed the spirit leaves the body and the host then discovers missing time and may or may not see a psychiatrist.

In the assassination of the Kennedy brothers, Jack Ruby shot alleged assassin Lee Harvey Oswald. Afterwards it was apparent that Ruby had no memory of what he had done. Sirhan Sirhan who shot in the direction of Robert Kennedy also had no memory of shooting. Sirhan was also known to have been involved in Satanism.

Writer [David Icke](#) has done much in the way he has popularized the subject of Reptilians. Reptilians is not a new subject and it goes back throughout all our history, one example being the Nagas of India who are seen as shape shifting Reptilians. Before David Icke even was known Reptilians were being seen even in children's shows. In the movie V it shows how these Reptilians spirits in human flesh could take over the world.

Land of the Lost 1974V the movie 1983

In the movie V the Reptilians wore orange uniforms. Not what if they wore business suits instead! Well as a matter of fact they do. During his campaign live on TV, Al Gore suddenly began to shape shift. His face began to turn green, his ears sharpened, and his eyes began to change. Then just as fast as he transformed he snapped back to his human

shape. Because millions of people saw it on TV live, the spin doctors said that it was satellite interference. Yet most people that I have interviewed stated that the background was fine, it was just Al Gore that changed. Some friends of mine saw it and were convinced that they were not seeing things. More information can be seen here at <http://www.think-aboutit.com/aliens/goreptiloid.htm> This may be one of the reasons they want to now end live broadcasts and replace them with 7 second delays.

Albert Gore

A close friend of mine had met Albert Gore (father of shape shifting Al Gore) when she was young and this is what she had to say. *"Albert Gore, Sr. completely weirded me out. I was 15 at the time, and I was very outgoing, never met a stranger, and I liked everybody. But this man was SO cold. He felt fake to me, and meeting with us (4-H Club teenagers from all over the US) was just an annoyance to him. He barely got a smile out, and tried to get us out of his office as quickly as he could. I remember being very disappointed with this man who was our senior State Senator, he was a scary figure, and this was before I would have known to call it and evil feeling about him."*

Another suspected Reptilian is Italian Prime Minister Berlusconi. On his acreage he has a dragon swallowing a human embedded in the grass. This be seen at: <http://stargods.org/SerpentSeedsAmongUs.htm>

There at the link you can see that Prime Minister Berlusconi's eyes are black and flat. Flat lifeless eyes appear to be an outward sign of the Reptilian spirit within. You will see many politicians with these same flat lifeless eyes including President Bush. Do not fall for the mask of human appearance. These people may joke, laugh, cry, and appear to be very human at times, but many are not! They are non-humans. The ascended masters of the New Age movement refer to humans as "containers." Even if you take a completely possessed person filled with thousands of evil demons, they will still look and act human.

Serpent Seed Ted Bundy

Look at serial killer Ted Bundy. He was so clever and charming, yet he burned with hatred of women inside. Inside he was infested with alien demons. If he had never been caught for the murders he committed, people would still think that he was a wonderful human being. His victims were viscerously murdered showing extreme hatred for them.

There is much information about how Reptilians and Nephilim giants are in the earth below trapped there since the flood. The word Hell means subterranean areas.

7585 she'owl (sheh-ole'); or sheol (sheh-ole'); from 7592; Hades or the world of the dead (as if a subterranean retreat), including its accessories and inmates: KJV-- grave, hell, pit.

Hell was known to the Greeks as Tartarus and is mentioned in 2 Peter 2:4 In mythology, Tartarus is only one section in Hell. The bottom line is that in the hollow earth there are many separate regions filled with Nephilim and Reptilians trapped there from the flood. When they die, their spirits roam the earth in search of human hosts (containers). The Nephilim spirits become demon spirits while the Reptilians die and become Reptilian spirits searching for human hosts. Then they begin to build and prepare for their coming antichrist king who is known as Lucifer and Satan. They are here to build the kingdom of Satan right HERE on earth. They are here to take dominion of this planet away from God's children and then destroy all of them in the process. This is a birthright war.

Non-humans are all around us and controlling the governments of the world. These parasitic spirits can only take full control of humans of a certain DNA structure. In other words they can only take over the bodies of Satan's children who are of the bloodline of Cain. They are the force behind all evil flesh. Eph 6:12 tells us not to be fooled by the flesh when it says, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

These non-humans are all around us destroying our laws, freedom, and constitutions. These dark spirits can even mask themselves as pastors gently pulling you away from God's truth. They can also be in our spouses who try to separate us from God. Through human flesh they control all that we see and hear in the media. They have succeeded in bringing into the churches witchcraft, homosexuality, and women's rights to control man. They corrupt our children with their filth in movies, video, music, TV fashion, and so on. In the schools they teach our kids evolution and how to have homosexual sex with each other. They may molest your children, conspire for your job, have affairs, and so on.

"They use their tongues to deceive, the venom of snakes are under their lips. And their mouths are full of bitterness and curses. In their past nothing but ruin and misery before their eyes. They have taken the hearts and minds of our leaders. They have recruited the rich and the powerful. And they have blinded us to the truth. Our human spirit is corrupted. Why do we worship greed? Because outside the limit of our sight, feeding off us perched on top of us from birth to death are our owners. They have us, they control us, they are our masters. Wake up! They're all about you and all around you."

- The movie They Live-

Right now the churches are being put to sleep and slipping into apostasy. People do not want to hear this. They want to know that Jesus is happy and everything is fine in happy world. They are using the churches for as an escape from the realities of a sick, corrupt, and demonic world. The fact is that we are at war and war is ugly. This is a war between two seeds.

"And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel." Gen 3:15

Below is a posting that explains the reality of of this spiritual warfare between the two seedlines.

"I'm tired of hearing about Jesus bearing the burden of sin, that He died for our sins. He didn't. Satan is sin, Lucifer is sin, the devil is sin. Jesus Christ died to free us from sin, to ransom us back from the devil that Adam and Eve sold their souls to. His blood was the price demanded because it WAS PURE. PURE. Sinless because it contained no DNA of satan. PURE because He was able to keep the LAW. Without the LAW there was no sin, and no man was able to keep the LAW. Humankind was under bondage to it.

Bottom line. JESUS DID NOT DIE TO SAVE US FROM OUR SINS. HE DIED TO "RANSOM US FROM SIN" - SATAN, THE DEVIL, LUCIFER.

When Cain slew Able, God said that Able's blood cried out from the ground. When Jesus died on the cross and the Roman soldier thrust the sword into His side, blood and water gushed out onto the ground. The Blood contained DNA, PURE DNA. When it hit the ground, the ground convulsed and the veil was rent. THE PRICE WAS PAID. The tables were turned. We no longer belonged to sin/satan/lucifer/devil. The water was baptism.

That's the Good News we are supposed to spread. We are FREE from the bondage of sin! The devil used to OWN us. He doesn't any more. People can now stand before God the Father one on one without a veil to separate them or a "priest" to mediate for them. We are no longer estranged from God. It's time we understood that." - Fortyanna
